# Blechexpo

### 【Blechexpo 2025 -International trade fair for sheet metal working】

Blechexpo is a prestigious international trade fair for sheet metal processing, held biennially in Germany. Recognized as one of the world's leading exhibitions in the field, it attracts over 1,000 exhibitors from more than 30 countries. The event features a wide array of companies specializing in press working machinery, cutting and forming technologies, as well as joining and fastening solutions.

At this year's exhibition, we will be showcasing our custom-made press die components, highlighting our commitment to precision, quality, and innovation.
